

MCGILL ULTIMATE TEAM SPONSORSHIP PACKAGE 2018-19'

The Team:

We are comprised of 4 Teams: MUT Women's A, MUT Men's A, MUT Women's B, and MUT Men's B. We are a club through McGill's student government (SSMU) and because we are not seen as a varsity sport. This is why we approach sponsors like you with the intention of creating a beneficial partnership.

Why Sponsor Us:

Our Performance: Both our Women's and Men's A teams increase their performance with each additional year. With the Women's A team having their best performance at the Canadian National Level placing 5th overall, and our Men's A team placing 2nd at Eastern Nationals.

Our Love For Ultimate: We are asking for sponsorship so we can do what we love. We push ourselves at practice and during tournaments to constantly improve and make a name for ourselves and the sponsors that helped us achieve our goals.

Our Own Tournament: We host our very own Tournament in October every year where teams attend from all over Quebec and the Northern United States. This is a great opportunity to test new product attraction and get the word out young active athletes.

Our Social Media: We have very active Twitter, Facebook and Instagram pages where we post every Friday. As a sponsor you would be able to request any type of posting through our platforms, specific hashtags, and photos. We believe with our current growth of 23% since May 2018 that our social media is a great method of product placement and advertising.
